

# Professional Provider of High Quality Industrial Data Acquisition and Control Products

## About Company

ICP DAS, established in 1993, focuses on innovation and improving the industrial automation technology. It strives for advanced remote I/O controllers, distributed I/O modules, and I/O data acquisition boards. To provide a total industrial automation solution and a complete after service, recently, ICP DAS enthusiastically endeavors to develop a series of programmable automation controller, webrelated products and motion-control systems.

ICP DAS offers an efficient and comprehensive automation solution for the application of industrial control, real-time data, warning system of earthquakes and hydrology, the power-monitoring, and video game consoles. ICP DAS has successfully gained worldwide recognition in the field of industrial control and automation. In factory automation part, the head of semiconductor, the LCD panel, and the petrol-chemical industries adopt our products to monitor equipments. In the intelligent building part, the highest skyscraper in the world-Taipei 101 uses our products to enhance its fire safety system. In traffic management segment, Taiwan Fisheries Administration takes our products as travel-recording devices. More applications such as on-line

pollution-monitoring systems for JianGsu province and ZheJiang province in China, battery recharging systems for LG in Korea, the piers monitoring of Megami Bridge in Japan, the monitoring whole factory system in a well-known automobiles and jets companies and etc. ICP DAS is proud to provide versatile application solutions all over the world.

To maintain the position of technology-leading platform provider, ICP DAS invests heavily in R&D and has excellent R&D team. Over 110 software and hardware engineers provide the best solutions and innovative products to upgrade the development of the automation industry. Moreover, we offer a comprehensive set of service in U.S., Europe, China and etc. ICP DAS always maintains our high-quality and reliable products to get worldwide clients' affirmation and support.

No. 111, Kuang-Fu N. Rd., Hsin-Chu Industrial Park, HuKou Shiang, Hsinchu 303, Taiwan.
